Hello and WELCOME to the 2024 Princeton Flea Market!

This year our season runs from **April 20 — October 12**. Opening time remains 6am.

We will be accepting “daily” sellers again this year; the cost is \$35 per week. When you arrive, leave your vehicle and walk into the park to find me at the front of the FOOD STAND by the picnic tables. I will assign spaces for daily vendors beginning around 6:30am. All spaces are roughly 20 ft X 10 ft.

We encourage you to become or remain a seasonal vendor. A Full Season Pass is only \$500, and a Half Season pass is \$275. Seasonal vendors are guaranteed spots at our busy flea market. As always, dealers who held a reserved space last year will be given first option to rent the same space again this year. These spaces will be held open until MARCH 25—No Exceptions! After March 25, new applicants will be filling open seasonal spaces.

Rules for Vendors:

A signed contract is required to obtain a seasonal space.

You may buy, sell or trade anything EXCEPT the following:

- Sandwiches (including brats, hot dogs, hamburgers, grilled cheese, etc) - all selling rights are reserved by the Chamber
- Soft drinks/SODA/other beverages to be consumed on-grounds - all selling rights are reserved by the Chamber
- Alcoholic beverages
- Animals
- Firearms & ammunition
- Fireworks
- Merchandise that violates trademark, tradename, or copyright laws
- Any other commodities prohibited by law

NO “political” booths are allowed which campaign for a political party or candidate for elected public office.

NO refunds are given for either daily or season vendors, regardless of weather.

NO dogs are allowed in the Flea Market park.

NO nails in trees.

FOOD SELLERS: Sale of prepared food items usually requires a health permit. If you have one, please include a photocopy with your application. For info, call Green Lake Co. Health Dept. at 920-294-4070.

RECYCLE whatever you can—it’s the law in Wisconsin!

Please remember that you are required to take your garbage home with you, and leave your area litter-free (this includes all packaging, packing materials, vegetable prunings, etc.) Please **DO NOT dump such material into the litter barrels in the Park!**

Enclosed with this mailing is a full Rules & Information sheet. Please read it.

To reserve your space this year, fill out the enclosed reservation form and MAIL it, with your check AND a self-addressed stamped envelope to reach us **BEFORE** MARCH 25. If we don’t receive your reservation by MARCH 25, your space will not be held for you. If we don’t get a SASE, we won’t mail your pass. PLEASE **MAIL** your reservation. If you have any questions, please call (920) 787-4815 between 9am and 7pm.
