## SHOP

With eclectic boutiques, antique stores, a vibrant community of Amish shops and a famous Flea Market, Princeton, Wisconsin is the perfect destination for some retail therapy. With many crafters and artisans in residence, Princeton merchants pride themselves on offering unique, one-of-a-kind or hand-crafted goods. Delight in the atmosphere as you stroll through shops restored to their 1800s origins, log-built from native pines, or repurposed in their own unique style.

## PLAN A DAY

Visit Princeton's Famous Flea Market, held outdoors from April to October. It is the largest of its kind in the state and full of treasures; homemade, antique and new. From booth to booth, you will find the perfect thing you have been looking for. Following your robust treasure hunt at the Flea Market, treat yourself to lunch. Relax in cozy restaurants, or support a local organization by picking up something delicious at the Flea Market's food stand.

Once full, take yourself on a date throughout Princeton and discover the many local shops, which offer everything from American-made clothing, handblown glass ornaments, local wines, specialty crafted soaps and so much more. Say hi to one of our many shop dogs, and find a gift for everyone on your list, from birthdays, to holidays, to weddings.

## DINING

In a word...scrumptious! Princeton has exquisite fine dining that will make any meal a memorable event, cafés that will bring you back to the sights and smells of mom's kitchen, pub specialties that will leave you asking for more,

snacks and specialties that will delight young and old alike.

Come with an appetite and let Princeton show you what it means to indulge in some of the best food you've ever eaten.

## FLEA MARKET

Join the fun all season long. A destination in itself, Princeton's Flea Market is the largest weekly outdoor flea market in Wisconsin.

Enjoy a Saturday stroll in Princeton's City Park on Hwy 23 to browse through hundreds of vendor goodies.

The treasures abound every week as new vendors enter the mix, so make it your weekly stop to find that long sought after item, or just to get a tasty snack at the food stand.

## ANTIQUES

Princeton is also known for some of the finest antiquing in the state. It's easy to spend a full day surrounding yourself with nostalgia as you peruse the many malls and shops bursting with exquisite artifacts from days gone by.

## PLAN A WEEKEND

Hello, City of Princeton Professionals.

My name is Cindy Gibbs. My four siblings and I visited the little town of Princeton, WI last weekend, 6/22 & 6/23. We stayed at the most delightful Airbnb - RiverFront Cottage located on Oxbow Trail. This was the first trip my siblings all made together, so we didn't know how we would handle each other, much less the environment we would be visiting.

I have to tell you that collectively, we all loved Princeton: the location, the people, what the town offered. The stores were charming. The food, great - even the bar food! Everything about our experience was top notch, despite the fact that it was raining off and on. We walked the entire town, up and down and all around. However, I need to stress the people and how wonderful we were treated. To a person, we were met with kindness, generosity, laughter and not only felt welcome, but invited back. We all said that we would return not only to this cottage, but the city of Princeton. We will all highly recommend this little town for a short jaunt to be away from the Mpls area/burbs.

Just thought you would like to know, 10 out of 10 stars to all of you. Please feel free to pass this along to whomever would appreciate the feedback. Thank you so much to the city of Princeton! Our first sibling event was an incredible success because of all you fine folk!

## PLAN A WEEK

Take your time and discover the beauty of central Wisconsin and spend a week in Princeton. Stay at one of our local campgrounds, motels, or Airbnbs. Reacquaint yourself with nature. Teach your kids how to canoe, while discovering the historic Fox River. Relish the peace and quiet while spending the day golfing, fishing or hunting. Look back in time and enjoy the slow, sweet pace of small town life. Take Princeton's Historical Walking Tour or visit a cemetery reenactment.

And when you want to explore some more, take a tour of a local winery or family farm, and savor the taste of food and drink, crafted by real people just for you. Make sure to bring your bikes and traverse one of the eight bike paths stretching out through the hills and woods of the surrounding area. And there is a winter wonderland waiting for you in Princeton with our snowmobiling trails, ice skating, and cross-country skiing.

## PEDAL PRINCETON BACKROADS

Just park your car in the downtown parking lot and head out to explore the backroads on eight scenic bike tours offering backroad cycling experiences for all types of riders. Take along a detailed map available throughout town.

## WINTER OUTDOOR FUN

Miles of manicured snowmobile trails take you for short hops or daylong excursions from county to county. Relax in the winter woods while cross-country skiing. Beautifully maintained trails for all levels of skiers abound in the Princeton area.

Ice fishing, in and around the Princeton area, offers great winter action for Lake Trout, Panfish (Bluegill, Crappie, Perch), Walleye, Northern Pike, and Cisco, especially on Big Green Lake, Puckaway, and Little Green. The season runs from December to March, but make sure the ice is safe before heading out.

## AMISH

Amish country is only minutes from Princeton in the Grand River Marsh area. Glimpse a lifestyle steeped in tradition and simplicity. Delight in fine craftsmanship as each homestead dedicates itself to their specialty and opens their doors to you.

Princeton offers a diversity of public parks: **Princeton City Park**, home of the famous Princeton Flea Market; beautiful **Megow Park** located on Water Street with the Fox River flowing behind it; **Hiestand Park** on the banks of the Fox River; **Old Mill Park**, with picnic tables and fun for kids; and the **Lions Park** with newly renovated tennis courts.

Launch your boat into the Fox River at **Hiestand Park** just off Hwys 23/73 on Mechanic Street. A recently installed handicap accessible EZ Launch™ transfer system allows users to easily enter and leave the water with kayaks or canoes. Boats can also be launched at the **Princeton Dam** on Lock Road or at the **White River Dam** 3 miles east of Princeton off County Road J on Huckleberry Road.

Princeton is also home to a gorgeous, brand new Public Library nearly doubling the space of the previous building. They offer free children's activities, public computers, Wi-Fi, and meeting rooms. Stop in today and check it out! They are located at 424 W. Water Street, right in the heart of downtown Princeton.

Princeton, Wisconsin is waiting for you, just an hour, or a moment away. Come and see for yourself and make each day an adventure. For more information, contact the Princeton Chamber of Commerce at **920-295-3877** or visit **[www.princetonwi.com](http://www.princetonwi.com)**.
